Subject: Recall Notice: DOMEGA NY INTERNATIONAL CO., LTD Issues Allergy Alert on Undeclared Milk Powder in FUMA CUSTARD PIE, June 30, 2010

 **RECALL NOTICE**

The following message is being sent to all authorized member recall personnel.

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

DOMEGA NY INTERNATIONAL CO., LTD Issues Allergy Alert on Undeclared Milk Powder in FUMA CUSTARD PIE

Company Contact:
Jing Hua Chen,
Tel: 646-388-3032

FOR IMMEDIATE RELEASE - June 30, 2010 - DOMEGA NY INTERNATIONAL CO. LTD 4820 2nd AVE BROOKLYN NY 11232 is recalling **FUMA CUSTARD PIE** because it may contain undeclared milk powder. Consumers who are allergic to milk powder may run the risk of serious or life-threatening allergic reactions if they consume this product.

The recalled **FUMA CUSTARD PIE** is packaged in a 650 gram cardboard box containing 26 individual packages, with a date code of 2010 02 04AA. It was sold in New York State. It is a product of China.

The recall was initiated after the product manufacturer's written formulation for **FUMA CUSTARD PIE** revealed the presence of undeclared milk powder in a package which did not declare milk powder as an ingredient on the label.

No illnesses have been reported to date in connection with this problem.

Consumers who have purchased **FUMA CUSTARD PIE** are urged to return it to the place of purchase. Consumers with questions may contact the company at 646-388-3032.

7/6/2010

- **We believe that none of the products being recalled were processed or offered through the national office.**
- We strongly encourage you to notify your agencies within one business day from receipt of this notice.
- ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.
- For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.

For full details on the recall, please visit: <http://www.fda.gov/Safety/Recalls/ucm217836.htm>

If you have questions, please contact William Hellman, Director of Food Safety, at whellman@feedingamerica.org or 312.641.6875.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members. The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national and local recalls by contacting their local health departments.

If you or a colleague from a network food bank wish to subscribe or unsubscribe to the recall notification list, please click on "manage your subscription" at the bottom of this email.

If you are an agency of a food bank, please discuss with your local food bank how you would like to receive recall information from them in the future.
