

The Mission of MANNA FoodBank is to involve, educate, and unite people in the work of ending hunger in Western North Carolina.

THE VISION OF MANNA FOODBANK IS A HUNGER-FREE WNC.

MANNA FoodBank opened its doors in the basement of Eliada Homes in 1983. That first year, the food bank distributed 40,000 pounds of food. In 2016-2017 MANNA distributed 17.3 million pounds of food, including 4.2 million pounds of fresh produce in WNC. That's enough food to provide 39,500 meals for every day of the year! Still, the need persists. 1 out of 6 of our neighbors struggles to put food on the table.

WHAT WE DO:

Collaborate with over 200 food distribution partner agencies in 16 counties. MANNA supplies food to pantries, soup kitchens, homeless and domestic violence shelters, child and adult daycare centers, and group homes. The food MANNA distributes comes from private donations, public programs, local and national food suppliers.

Deliver MANNA Packs for Kids. 1 out of 4 children in WNC lives in conditions of food insecurity-without the continuous access to the basic food they need to live a healthy life. MANNA Packs ensures that each Friday children from low-income households across our service area leave school with a package of food in their backpacks to provide nourishment over the weekend. The program reached an average of 4,800 kids at 172 different schools and sites spanning all of 16 counties in our service area.

Outreach that strengthens communities. Food and Nutrition Services (FNS), formerly known as food stamps, is an effective and efficient way to prevent hunger. FNS reduces food insecurity and improves the chances that a child will experience healthy development. In 2016-2017, MANNA's outreach efforts assisted 1,782 households with applications for FNS. An important component of this outreach effort is the MANNA Food HelpLine. In 2016-2017, our HelpLine staff assisted 4,105 callers needing emergency food access. Clients can receive help accessing food by calling 1-800-820-1109, Monday through Friday from 9 a.m. to 4 p.m.
