MANNA FoodBank Partner Agency Values

At MANNA FoodBank, we hold people experiencing hunger and food insecurity in Western North Carolina at the center of our actions and decisions. Our Partner Agency Network is the front line for food insecurity work and we hold high standards for the quality of service our partners provide.

Commitment to Ending Food Insecurity

Partners have a full knowledge of food banking, hold a shared understanding of food security initiatives, and has mission alignment with MANNA FoodBank

Client Centric, Accessible, and Respectful

Welcomes clients with dignity and compassion, celebrates choice and empowerment, and is devoted to removing barriers to accessing food services

Community & Collaboration Minded

Creating a hunger free WNC requires collaboration with our neighbors and a focus on the need voiced within the community

Dedicated to Growth and Development

Embraces change, is willing to listen and learn from clients, and develops sustainable programs

Good Stewardship

Partners who thrive in this work maintain strong infrastructure, compliance, and communication with attention to their capacity to serve

Involving, educating, and uniting people in the work of ending hunger in Western North Carolina
