

Pack to Give Back!

with MANNA FoodBank
Thursday, June 6, 2024, 3-6PM
WNC AG Center, Expo Building
1301 Fanning Bridge Rd, Fletcher, NC

Pack to Give Back is a volunteering event that brings corporations and businesses together to help feed our neighbors in need and strengthen our WNC community. Pack to Give back raises awareness of food insecurity across the mountains and the mission of MANNA FoodBank, while providing companies the opportunity to serve and have a fun team day out of the office.

Teams of volunteers will assemble bulk food product into family-sized bags for distribution to neighbors across WNC. Food packing starts at 3pm and the after party starts at 5:30pm, celebrating what we have accomplished together with a happy hour toast, snacks, and live music.

This event is:

- an excellent volunteering opportunity
- team-building for coworkers and work groups
- a great networking opportunity
- most importantly, FUN while making a difference in WNC!

Join us for an unforgettable experience and see the firsthand impact you can have on food insecurity in our community!
